

# T'GALLANT

## Moscato

2012

A fun and frivolous wine that can also have a serious side, T'Gallant Moscato is ruby rose pink in the glass. Vibrant musk & rose petal aromatics are more than inviting, while the palate is full and fresh in expression, with fresh musk stick & sweet 'jubey' fruits, balanced with crisp acidity creating a clean finish. T'Gallant Moscato is a style that can be enjoyed, morning, noon and night.
