

AUTUMN COLLECTION 2021

T'GALLANT CAPE SCHANCK PINOT GRIGIO 2019

A classic cool-climate Pinot Grigio from the Mornington Peninsula. This wine is crisp, zesty and full of enticing aromas of nashi pears and candied citrus. On the palate, enjoy rich fruit flavours balanced by lovely acidity that lingers. This is a great expression of Pinot Grigio, a grape variety that T'Gallant helped make famous here in Australia in the 1990s.

T'GALLANT ENCORE SPARKLING ROSE NV

T'Gallant embodies the notion of family and friends getting together to celebrate life's simplest pleasures. This Sparkling Rosé NV is the perfect accompaniment to those good times and shared experiences. Fresh and vibrant and full of character, this Sparkling wine has fine bubbles with subtle berry notes, luscious mouthfeel and long, lovely length.

T'GALLANT IMOGEN PINOT GRIS 2019

Clean, refreshing, and a fantastic drop for the coming Autumn season. The Imogen Pinot Gris 2019 is a complex wine produced in the Mornington Peninsula in the style of the famous wines of France's Alsace region. On the palate, expect crisp apple, cinnamon and pear flavours with a creamy finish.

T'GALLANT CAPE SCHANCK PINOT NOIR 2019

Accentuated by the sweetness of its ripe berry fruits, this bright Pinot Noir is immediately approachable, wonderfully perfumed and an easy-drinking wine. On the palate, expect notes of dark cherry, redcurrant and subtle spice with silky tannins. Enjoy with a grilled chicken salad or fresh fish dishes.

T'GALLANT JULIET PINOT NOIR 2019

This beguiling Pinot Noir is enticing from the get-go, thanks to its light and slightly sweet profile – it's the perfect mid-week tipple. Guided by spicy cherry, full red fruits, floral aromas and herbal tones, which create a harmonious balance. A fresh wine to be enjoyed in its youth.

T'GALLANT CYRANO PINOT NOIR 2020

This dark Pinot Noir from the 2020 vintage offers complex notes of cherry and red berry fruits, subtle savoury spice and cedary oak characters, framed by textural, fine tannins. It is a wine that will be recognised for its complexity, and will pair well with a pork roast and light salad this Autumn.
