

T'GALLANT

T'Gallant is the sailor's abbreviation for topgallant, the top sail of square-rigger sailing ships. It connotes the peak; the epitome. This represents T'Gallant's winemaking philosophy. Handmade and crafted, T'Gallant wines exude a vibrant and eccentric personality, using a twist of traditional European winemaking techniques and styles on these truly Victorian wines. Established in 1990, T'Gallant founders Kevin McCarthy and Kathleen Quealy were instrumental in introducing Pinot Gris to Australia. Considered a bold move at the time, the wines nonetheless flourished and T'Gallant became Australia's leader in this cool climate grape variety.
